

Pillar Capital Names Jeff Franklin CUO

Hamilton, Bermuda – July 18, 2018 – Pillar Capital Holdings Limited (“Pillar” or the “Company”), a Bermuda-based insurance asset manager focused on collateralized reinsurance and catastrophe insurance-linked securities, today announced that Jeff Franklin has been appointed Chief Underwriting Officer, effective immediately.

Mr. Franklin joined Pillar as SVP & Portfolio Manager in 2013. Jeff has extensive experience in global property underwriting, including a CUO role prior to joining Pillar where he developed a company’s international book of business and oversaw its international property catastrophe portfolio.

In announcing the appointment, the Pillar Board of Directors stated, “Jeff has played an integral leadership role in expanding Pillar’s market presence and leading the development of our portfolio strategy over the last five years. His appointment as Chief Underwriting Officer is a natural progression that enables the Company to benefit from his proven underwriting expertise in the Bermuda reinsurance market and his extensive market contacts.”

“I am thrilled to assume the CUO position at Pillar” said Mr. Franklin. “It has been an honor to contribute to Pillar’s success in the reinsurance market and I’m looking forward to continuing to expand our share of the ILS collateralized reinsurance market.”

###

About Pillar Capital Holdings Limited

Pillar is a Bermuda incorporated investment manager focused on investing in insurance related instruments. Pillar seeks to identify opportunities in traditional (re)insurance instruments and financial market instruments whose performance is driven by underlying non-life insurance risk. The objective of Pillar is to create portfolios with attractive risk-reward characteristics and low correlation with other asset classes, utilizing Pillar’s extensive reinsurance and capital market experience. Pillar was formerly Juniperus Capital. For more information, please visit <http://www.pillar-capital.com/>.
